

# Susan G. Komen Race for the Cure

IREM is joining the Susan G. Komen Race on October 4 as we race for the cure of breast cancer. The 2008 Komen Houston Race for the Cure marks the 18th anniversary of the Race in Houston. More than 29,000 participants including 2,000 breast cancer survivors are expected, plus volunteers, supporters and onlookers. The Race is a certified USATF 5K course with running and walking events for everyone. Event is open to men, women and children. Join the IREM Young Professionals on race day as we compete in the 5K non-competitive walk. If you are unable to attend, please consider giving a donation. We hope to see everyone out there!
